THE NEXT dimension

OF DIABETIC FOOT CARE

13TH

ANNUAL
SCOTTISH
CONFERENCE
OF

THE
DIABETIC
FOOT

For more than a decade, the Annual Scottish Conference of the Diabetic Foot has provided healthcare professionals involved in the care of the diabetic foot with dynamic and interactive learning events. In this, the 13th conference of its kind, we present a programme with a clinical focus that aims to take delegates' practice to the next dimension.

At each stage of the patient's journey with diabetic foot disease, examples of best practice from around the UK will be presented; from methods of debridement to reading X-rays, from overcoming barriers in shared care to what you need to know about the medications your patient with diabetes is receiving.

A special extended session will focus on the patient's journey through amputation. In addition to presenting the perspectives of a person with diabetes who has undergone amputation, the session will bring together experts on preparing patients for amputation, and supporting them during and after an amputation.

This conference is aimed at all healthcare professionals involved in the care of the person with diabetic foot problems: podiatrists, consultants, diabetologists, practice nurses, diabetes specialist nurses, tissue viability nurses, GPs, orthotists and vascular surgeons.

We look forward to welcoming you to this dynamic, interactive event.

PROGRAMME PLANNING COMMITTEE

Matthew Young,
Consultant Physician,
Edinburgh

Duncan Stang,
National Diabetes Foot Coordinator for Scotland and Scottish
FDUK representative,
Lanarkshire

Professor Graham Leese,
Chair, Scottish Diabetes Foot Action Group and Consultant
Physician, Dundee

Joanne McCardle,
Advanced Acute Diabetes Podiatrist,
Edinburgh

PROGRAMME

08.00 – 08.45 **Registration, refreshments and exhibition viewing**

08.45 – 08.55 **Conference Chair's welcome and introduction**

SESSION 1:

08.55 – 09.30 **Debridement: More than scratching the surface**

- Different methods of debridement
- The rationale for debridement: clinical decision making
- Where and when should debridement be undertaken
- Who carries out debridement and how to gain the skills you need

09.30 – 09.50 **Reading radiology: A simple guide**

- Techniques for looking at X-rays critically and systematically
- How to provide detailed X-ray requests to get the most information
- Impact of X-ray view and projection on what you may see

09.50 – 10.30 **Symposium**

10.30 – 11.00 **Refreshments and exhibition viewing**

SESSION 2:

11.00 – 11.30 **Overcoming barriers to shared care**

- Joint clinic visits: identifying and appreciating each other's skills
- Agreeing between clinic appointment goals
- Dressing change protocols and holding of consumables

11.30 – 12.00 **Pharma and the foot**

- What is your patient taking?: Considering the impact of polypharmacy on the person with diabetic foot disease
- Antibiotic choice
- Considerations in the person with concurrent renal disease
- Role of the podiatrist prescriber

12.00 – 12.30 **Audit and research: A practical guide**

- Audit and research is for everyone, not just specialist centres
- Planning and designing your project
- Reporting and communicating your findings

12.30 – 13.30 **Lunch and exhibition viewing**

SESSION 3:

13.30 – 15.00 **Amputation: The patient journey**

- **Pre-amputation**
 - Elective versus emergency amputation
 - Preparing the patient physically and psychologically
- **Amputation**
 - Careful surgical decision-making
 - Ensuring a platform for prosthetic limb fitting
 - Achieving post-amputation healing
- **Post-amputation**
 - Rehabilitation, limb fitting and life adjustment after amputation
- **Life without a limb:** the patient perspective

15.00 – 15.30 **Refreshments and exhibition viewing**

15.30 – 15.50 **An update on the progress of the Integrated Career and Competency Framework for Diabetes Podiatry**

- Gaining and proving competency
- The quick reference guide

15.50 – 16.20 **An update from the Scottish Diabetes Group**

- An update on the state of diabetic foot care, in the community and in hospitals, in Scotland

16.20 – 16.30 **Chair's final remarks and conference close**

**ALSO RUNNING
IN LONDON**
